Where you feel like Royalty...

Northern Arizona's Anti-Aging Alchemist Transforming Beauty with Science and Soul

Kim Maney, a sixth-generation Northern Arizona native, owns Aristocat's Studio LLC, where she treats clients like royalty. With over 30 years in the beauty and medical aesthetic industries, she is a highly sought-after professional, serving residents, celebrities, and international clients. Certified nationally and internationally in alternative anti-aging modalities, Kim is pursuing a PhD in quantum-based integrative medicine, research, and naturopathic therapies to complement her aesthetic expertise. Her formal education in music, literature, and the arts, combined with her artistry, skills, and empathy, distinguishes her approach to anti-aging.

Beyond aesthetics, Kim is a published songwriter, author, musician, guitarist, model, and celebrity makeup and wardrobe specialist. Recognized by the American Society of Media Photographers as a professional photographer, she is also an avid

horsewoman and cattle rancher by heritage. Passionate about animal and human welfare, she has dedicated her life to domestic and wild animal rescue and rehabilitation. Kim's commitment to ethical practices is evident in her Alchemy Aesthetics MD skincare line, featuring medical-grade, 98% vegan, and 100% cruelty-free products. Her flagship product, Skin Epiphany Youth Magic, a growth factor treatment, reverses aging at a molecular level, delivering radiant, youthful skin and is in high demand.

At Aristocat's Studio, Kim offers an array of advanced services, including:

- RF/HIFEM Body Sculpting: Non-invasive body contouring for fat loss and muscle toning.
- Non-Invasive Plasma Hair Restoration: Stimulates hair growth without surgery.
- Incontinence Kegel Chair Therapy: Strengthens pelvic floor muscles.
- European Fibroblasting (Plasma Pen): A minimally invasive skin-tightening procedure that remodels the dermal layer, yielding surgical-like results last years, with 5-7 days of downtime.
- Cool Jet Plasma: A zero-trauma treatment using atmospheric plasma gas to stimulate collagen production and remodel skin structure, with no discomfort or downtime. It enhances skin absorbency for 24 hours, allowing deep penetration of active products, safe for all skin types.
- Hya-Pen Needleless Dermal Filler: Non-invasive facial rejuvenation.
- Microcurrent Therapy: Aids stroke and palsy patients in facial muscle recovery.
- Rejuvenating Light Therapy Facials: Promotes skin healing and vitality.
- Hand Method Permanent Cosmetics: Creates soft, natural, or

dramatic looks, earning Kim worldwide recognition.

- Sun Damage Reversal: Targets and corrects UV-induced skin damage.
- Detoxifying Footbaths: Promotes overall wellness.
- Teeth Whitening: Enhances smiles with professional-grade treatments.
- Medical-Grade Hair Loss Treatments: Addresses thinning hair with advanced solutions.
- Photon Therapy: Supports skin rejuvenation and healing.
- Health Consulting: Personalized wellness guidance.

Kim's treatments address anti-aging, juvenile and active acne, scars, pigmentation, rosacea, enlarged pores, and skin tightening, using professional, medical-grade applications for optimal results. Her studio features a stylish boutique, with plans for expansion, offering products like the Jane Iredale makeup line, infused with healing ingredients.

Kim's passion for empowering women in business drives her to mentor aspiring entrepreneurs, encouraging them to stay informed and never stop learning. She remains engaged with top industry leaders and organizations, maintaining her edge in the field. Her career began with a mission to help burn victims and support Smile Train, a nonprofit providing corrective surgery for children with cleft lips and palates since the 1990s. This foundation of compassion continues to shape her work, as she enhances clients' beauty and self-esteem with kindness and integrity.

Kim advises others to pursue their dreams with grace and determination, embodying these values in her multifaceted career. Her ability to combine cutting-edge aesthetic techniques with a holistic, empathetic approach makes Aristocat's Studio a haven for transformative care. Whether through advanced treatments or her ethical skincare line, Kim Maney continues to inspire and uplift, leaving a lasting impact on her clients and community.
